FOP of Ohio Legislative Report

The FOP of Ohio will be in the Statehouse on November 10, advocating for our top priorities and we need your help. We need about 25 volunteers

for meetings focusing on pensions, passing a bill to arm our state employees (SB 321) and passing the Larry Henderson Act (HB 372.)

We will also be busy with Automated License Plate Reader legislation and due process legislation for so-called Brady lists.

Please be watching your emails and our social media for ways you can help!

Welcome Lodge 217!

The FOP of Ohio welcomed Lodge 217 in Monroe, Ohio (Butler County) to the FOP family.

National Trustee Greg Toyneas administered the oath to the new leaders and we are excited about the future for this new lodge!

Heart of Kindness Initiative

The FOP of Ohio is joining Ohio Attorney General Andy Wilson in challenging Ohioans and law enforcement agencies statewide to join us in documenting 250 acts of kindness.

“Here in Ohio, we know one of the best ways to build strong communities is pretty simple: through kindness,” AG Wilson said. “We want to hear about your good deeds and celebrate the generosity that makes Ohio the Heart of Kindness.”

“The FOP of Ohio knows that our members are doing good things every single day, it is time we share those acts of kindness with the rest of Ohio” said FOP of Ohio President Jay McDonald.

The initiative, celebrating the nation’s 250th birthday year, is designed to showcase good-hearted exchanges that happen every day between law enforcement and the people they serve.

Submit the acts of kindness from your co-workers and colleagues at <https://www.ohioattorneygeneral.gov/Kindness>

Thin Blue Line Update

On 10/6/2026, there was a hearing in the Court of Common Pleas in Franklin County , Ohio to determine if Thin Blue Line Benefits was to be held in contempt for violating a mutually agreed upon court order to not spend the funds collected to pay unpaid claims. On October 5, 2026, Thin Blue Line filed a notice that they would not appear. The magistrate issued the attached order and found that TBL clearly violated the order of the court.

The punishment for violating this court order is a \$90,000 fine and that fine grows by \$10,000 per day until the money is restored to the account (that is my reading of the order as a non-lawyer). Type in "Thin Blue Line" into the name bar and you can read the entire decision and all court documents here:

<https://fcdcfcs.co.franklin.oh.us/CaseInformationOnline/acceptDisclaimer?-105haoofhfbdeg> (plug in thin blue line in the name section of the search engine)

The decision portion of the court filing is pasted below:

Defendants are in contempt of the court's Orders and as such the Defendants are fined \$90,000.00 jointly and severally for the ongoing nature of their contempt. Defendants can purge the contempt by returning to the control of the Plaintiff \$2,898,015.58. If the Defendants fail to purge the contempt by November 10th, 2026 the Defendants will also face an additional \$10,000.00 per day fine starting on November 11, 2026 until the original fine and the per diem is paid and the contempt is purged.

We will keep you up to date as we get more information.

A local FOP partnered with a local FOPA is an unstoppable force!

If your lodge does not currently have a FOPA, I encourage you to reach out and learn more about who we are and what we do. We would love the opportunity to connect with you, answer your questions, and show you how a strong FOPA can support your lodge and its members.

Together, we can continue to make a difference!

Do you know
someone who
“BACKS THE
BLUE”? The FOPA
is the organization
for them!

The FOPA Ohio is a civilian affiliate of the Fraternal Order of Police of Ohio, Inc. Our members are friends and families of law enforcement Officers, responsible and respected business persons, professional men and women, and citizens from all walks of life—people willing to devote a portion of their time and efforts toward assisting the various law enforcement agencies of our communities, states and nation.

The FOPA Ohio is an organization formed for the purpose of increasing our understanding of the rights, duties and problems of law enforcement officers; of fostering respect for them; and of bettering conditions under which they serve society. We accomplish this through public relations, as well as legislative and educational efforts. It is our aim and objective to support law enforcement throughout Ohio in every way possible. We believe that Law is the safeguard to freedom, and it is our duty to defend it.

We all need to help the FOPA help us, by recruiting a member or two to join the FOPA. If you need information on the FOPA, please email Tammy White at WhiteStateFOPAPres@gmail.com

The FOP of Ohio is looking to partner with your Lodge to help you recruit new members or even to start new lodges. If we can help your lodge grow, please reach out to Rob Hawley at rhawley@fopohio.org.

SILENT UNTIL IT ISN'T.

A widely cited 2013 study of Buffalo, NY police officers, part of the Buffalo Cardio-Metabolic Occupational Police Stress research, reported a mean life expectancy difference of 21.9 years compared with the US general population. That figure comes from one city and one cohort, and researchers continue to debate how far it generalizes. But every serious study of police mortality points the same direction, and cardiovascular disease sits at the center of the gap.

FRANCISCAN UNIVERSITY

School of Professional Programs

Center for Criminal Justice, Law, & Ethics

Dear Members,

One of the strengths of our criminal justice programs is the experience our instructors bring to the classroom. Dr. Jeff Magers, one of our adjunct instructors, is a retired Captain with the Jefferson County (KY) Police Department, a retired Lieutenant Colonel in the U.S. Army, and previously served as Mayor of Bancroft, Kentucky.

In addition to his law enforcement and military background, Dr. Magers has worked extensively in police policy, training, and leadership development, including work with the International Association of Chiefs of Police (IACP). Dr. Magers has taught courses in American Policing, Community Initiatives in Criminal Justice, Protection of Children in the Justice System, and Special Topics.

Our programs are designed to be **practical and applicable to the profession**. Rather than focusing heavily on research and statistics, courses are taught by professionals working in the field who focus on advancing real-world knowledge, leadership, and skills. Our programs are welcoming to all law enforcement and designed to build on the experience officers already bring to the profession.

As part of our partnership with the **Ohio FOP**, members receive a **20% TUITION DISCOUNT**.
